**INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44****Authority For Civil Cover Sheet**

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

**I.(a) Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.

**(b) County of Residence.** For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)

**(c) Attorneys.** Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

**II. Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.

United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.

United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.

Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.

Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)

**III. Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.

**IV. Nature of Suit.** Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: [Nature of Suit Code Descriptions](#).

**V. Origin.** Place an "X" in one of the seven boxes.

Original Proceedings. (1) Cases which originate in the United States district courts.

Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441.

Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.

Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.

Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.

Multidistrict Litigation – Transfer. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407.

Multidistrict Litigation – Direct File. (8) Check this box when a multidistrict case is filed in the same district as the Master MDL docket.

**PLEASE NOTE THAT THERE IS NOT AN ORIGIN CODE 7.** Origin Code 7 was used for historical records and is no longer relevant due to changes in statute.

**VI. Cause of Action.** Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service.

**VII. Requested in Complaint.** Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.

Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.

Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.

**VIII. Related Cases.** This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

**Date and Attorney Signature.** Date and sign the civil cover sheet.

**SPECIAL MANAGEMENT CASE ASSIGNMENTS**  
(See §1.02 (e) Management Track Definitions of the  
Civil Justice Expense and Delay Reduction Plan)

Special Management cases will usually include that class of cases commonly referred to as "complex litigation" as that term has been used in the Manuals for Complex Litigation. The first manual was prepared in 1969 and the Manual for Complex Litigation Second, MCL 2d was prepared in 1985. This term is intended to include cases that present unusual problems and require extraordinary treatment. See §0.1 of the first manual. Cases may require special or intense management by the court due to one or more of the following factors: (1) large number of parties; (2) large number of claims or defenses; (3) complex factual issues; (4) large volume of evidence; (5) problems locating or preserving evidence; (6) extensive discovery; (7) exceptionally long time needed to prepare for disposition; (8) decision needed within an exceptionally short time; and (9) need to decide preliminary issues before final disposition. It may include two or more related cases. Complex litigation typically includes such cases as antitrust cases; cases involving a large number of parties or an unincorporated association of large membership; cases involving requests for injunctive relief affecting the operation of large business entities; patent cases; copyright and trademark cases; common disaster cases such as those arising from aircraft crashes or marine disasters; actions brought by individual stockholders; stockholder's derivative and stockholder's representative actions; class actions or potential class actions; and other civil (and criminal) cases involving unusual multiplicity or complexity of factual issues. See §0.22 of the first Manual for Complex Litigation and Manual for Complex Litigation Second, Chapter 33.

**Complaint**

1. On or around the 11<sup>th</sup> day of July, 2020 Plaintiff's friends purchased a mattress and a base from Mattress Firm as a gift to the Plaintiff.
2. Several days later, the delivery men delivered what was supposed to be an extra firm mattress and an electronic base. When the gentlemen who brought the mattress to the Plaintiff's home looked like they were very unclean people.
3. Plaintiff does not know the exact date the mattress was delivered but, approximately a week and a half after the Plaintiff got the mattress and base, the electric plug which was plugged into the wall which controlled the base and vibrator started to smoke.
4. It was at this time the Plaintiff contacted his electrician because the prongs from the cord has burned into the outlet.
5. Plaintiff contacted Kim who sold the Plaintiff's friends the mattress for the Plaintiff as a gift. Kim informed the Plaintiff that she would talk to her boss about the base and that the boss would know what to do. Approximately a week later, Plaintiff received a call from Kim's boss who told the Plaintiff she would refund the Plaintiff's money for the base which she did.
6. The Plaintiff reached out personally to Defendant Eck and asked him to refund all the money for the Mattress because, the Mattress had bugs in it and the Plaintiff had to remove the Mattress from the bedroom to the garage so that the Mattress could be fumigated.

7. After 2 weeks of the mattress sitting in the garage and being sprayed 2 or 3 times a week, the Plaintiff then moved the mattress back to his bedroom. It was at this time the Plaintiff noticed that the mattress was a defective mattress because, the mattress did not lay flat; it was always a dip in the middle of the mattress which brought excruciating pain to the Plaintiff's back.

8. There was always a dip in the bed that never went away. Plaintiff will attach a picture of how the mattress is designed. One thing is a fact the mattress is not an extra firm mattress.

9. All the Plaintiff wanted to do is get his money back and go to a legitimate mattress place and get himself a good mattress and get what he paid for. He asked the President, Defendant Eck, to return his funds. Since the Defendant refused to return the Plaintiff's funds, let us bring the mattress to a Jury and let the Jury see the mattress and how defective it is.

10. This matter should have been settled over a month ago but, the President of this slip-shod business, Defendant Eck, is used to ripping people off. It appears, he has an overwhelming disregard for the customers' rights.

11. The mattress does not lie and, the mattress is not fit for human use. Plaintiff wants the Court and the Jury to see that the mattress has a bunch of ripples and, no human being should be forced to lay on a mattress that causes severe injury to the back.

12. Defendants could have resolved this matter by just giving Plaintiff his money back. Now, the Plaintiff wants double his money back for all the aggravation that Defendants put the Plaintiff through in the name of greed.

13. The CEO, Defendant Eck, is a thief, a con artist. He has no regard for the public. Plaintiff believes that a Jury will award him damages in excess of \$100,000 because, the Plaintiff has a sore back and is hardly able to walk due to the negligence of the Defendants who knew or should have known that his product was not fit for human use.

14. If Defendants do not want to pay the Plaintiff for his injuries and suffering then this matter must be set for Trial so that a Jury can see the deliberate, willful and intentional negligence of the Defendants.

15. Plaintiff cannot sleep on the bed because, it causes Plaintiff's back to be sore and there are too many lumps on the mattress. The mattress is causing Plaintiff severe injury. Whereas, the Plaintiff, when he gets out of bed, he can barely walk because, the mattress acts like it has a mind of its own on how to destroy those who lay on it.

16. The Plaintiff asked the CEO to resolve this matter, they gave the Plaintiff \$600 or \$700 for the base but, fell short when it came time to refunding the money for the mattress. The CEO was given every opportunity to correct his illegal business practices.

17. All the lackeys who work for the CEO knew or should have known that their mattresses are defective and could cause injury to the Public.

18. Plaintiff will extend this Complaint in the event the CEO does not want to give him all his money back.

**Wherefore**, Plaintiff prays that this Honorable Court will enter Judgment for the Plaintiff and against Defendant John Eck a.k.a. "The Thief" in excess of \$100,000 nominal and \$100,000 punitive damages for Unfair and Unlawful Business Practices and against Defendant Mattress Firm in excess of \$100,000 nominal and \$100,000 punitive damages for Unfair and Unlawful Business Practices.
